

Mathematicians Code of Conduct

As a Mathematician, I agree to follow the rules outlined below.

I will:

- Work, think & look like a mathematician.
- Solve problems.
- Listen to others carefully.
- Work as a member of a team.
- Work sensibly.
- Think positively not negatively.
- Compromise and co-operate.
- Work at the appropriate noise level.
- Be organised.
- Speak respectfully.
- Be the best mathematician I can be.
- Challenge myself.
- Enjoy myself.
