eTasks

241 hands-on problem solving task cards with related playing boards and cut-out masters as PDF published exclusively for your school or yourself.

- Build your own Task Centre Library over time.
- Print in your own order or follow our Maker Manual.
- Add your own materials to create the tasks.
- If you wish, begin by matching to Maths With Attitude.

Additional support included or available free on site:

- Professional development leadership notes and slides.
- eTask Maker Manual and Recording Sheets.
- Task Cameos with answers and teaching notes.
- Teachers' Handbook of collected classroom wisdom.
- Our web site rich with teacher stories, student work, unit plans, assessment information, photographs, additional support documents and a Task Cameo Content Finder.
